This Contract is between Circle K9 LLC (hereinafter called the "Kennel") and the pet owner/representative whose signature appears below (hereinafter called the "Owner"). The term "pet" refers to all pets of the Owner, and this contract shall apply to this boarding and any future boarding.

Please read carefully and initial each item:

____ 1. Owner specifically represents that he or she is the owner of the dog, or has been authorized by the Owner of the pet to enter into this Contract as the Owner's agent.

____ 2. Owner agrees to pay upon departure of the dog from Kennel all costs and charges for services provided. Owner understands and

agrees that pet shall not leave the Kennel until all charges are paid by Owner to the Kennel.

_____ 3. Kennel shall exercise reasonable care for pet. It is expressly agreed by Owner that, unless Circle K9 has been grossly negligent, Owner releases Circle K9 LLC from all costs/damages from illness, injury/death of Owner's dog.

_____ 4 If a life-threatening illness/injury occurs, the Kennel in its sole discretion may engage the services of medical staff and all fees will be added to the owner's bill. In non emergency situations the owner will be contacted to discuss avenues, and any costs arising will be added to the owner's bill.

_____ 5. Owner represents that pet is healthy and has not been exposed to any known communicable disease within the thirty-day period immediately prior to boarding.

_____ 6. Kennel specifically requires all pets be vaccinated against communicable diseases prior to boarding. Kennel reserves the right to refuse admittance to any pet that shows signs of illness or that does not meet Kennel vaccine requirements. Circle K9 requires DHHP, Rabies, Bordetella, and the Influenza vaccine. All vaccinations must be administered by a licensed veterinarian at least 7 days prior to first day of board. No Exceptions. Despite these precautions, Owner acknowledges that Owner's pet will be in an environment with other pets during boarding, and understands that any pet may harbor and spread a communicable disease. Owner releases Kennel from, and waives all claims and liability against Kennel for, all losses, damages, costs and expenses arising out of or in connection with any communicable disease contracted by Owner's pet during boarding.

_____ 7. Owner understands that Kennel reserves the right to refuse service at its discretion

_____ 8. Any controversy or claim arising out of or relation to this Contract, or the breach thereof, or as the result of any claim or controversy involving the alleged negligence by any party to this Contract, shall be resolved only by litigation in courts for Montgomery County Texas.

_____ 9. Circle K9 is not responsible of misuse/abuse of training equipment purchased at Circle K9, by Owner of Pet once the Pet has left Circle K9.
